

MATRIX SYSTEM

The *Industrial* Flooring Solution

SEAMLESS | HARD WEARING | NON-POROUS | CHEMICAL RESISTANT

Redefining the coatings industry

EPO100T® is designed as a stand-alone floor and wall coating system or as a binder for slip resistant surfaces.

Formulated and manufactured by APC in Australia which ensures suitability to Australian environments and the ability to change requirements as and when needed. The EPO100® range of Epoxies have been independently tested to ensure they meet or exceed Australian Building Standards, this is then backed by APAS accreditation (Australian Paint Approval Scheme).

EPO100T® is used in a wide range of commercial & industrial environments where a long lasting floor or wall solution is required. Trusted by asset owners for 20 years as a long term Australian made Epoxy.

1-2mm Matrix System
EPO100T® N35 Light Grey Base
Installed by Supreme Tiling & Concrete Polishing

1-2mm Matrix System
EPO100T® N43 Pipeline Grey Base
Installed by Epoxy Flooring Redlands

1-2mm Matrix System
EPO100T® X32 Magnolia Base
Installed by Coast to Country Specialised Coatings

RECOMMENDED USES:

- Aircraft hangars
- Industrial warehousing
- Mechanical warehouses
- Mining sites
- Abattoirs
- Waste water plants
